## The Ascension of the Lord

### Reflection from the desk of Fr. Terry

Jesus before ascending to heaven, he gave them instruction on what to do. Jesus had disappeared from their eyes physically, but he had left a mission in their hands. Over the centuries, many thousands of missionaries have literally followed Jesus' missionary instructions. Because of what they did, as a result of that, you and I become Christians, Catholics today. Ascension reminds us of so many things. First and foremost, it reminds us of our own mission. This doesn't mean that we have to go to other nations and become missionaries. But rather we can stay right where we are and try to influence people around us by our good example. If all of us would bring one unchurched person to the church every year and if this unchurched person also brings one unchurched person to church every year, ten years after, there would be many who have embraced the faith and have become closer to God, I'm sure this is not a hard thing to do. Let us give it a try.

### Please Pray.....

Please pray for our young people who will be receiving the Sacrament of Confirmation. May the Lord Jesus always watch over them and guide them.

### Marygrove Camp

The Society of Saint Vincent de Paul has 1400 volunteer members and a mission to Turn our Concern into Action by helping the most-needy families in our community. This work allows us to identify children who would greatly benefit from going to the Society's Marygrove Camp and Camp Ozanam.

These camps provide summer programs for girls and boys who would not normally have the opportunity to enjoy a residential summer camping experience. Their families simply couldn't manage it.

On the weekend of June 14th, a special collection will be taken up in our parish to support the work of Marygrove Camp. Over 1,000 girls ages 5 – 13 will attend Marygrove this summer and enjoy all the experiences that make a week at camp so special: swimming, canoeing, bare feet, campfires, watching for shooting stars, and so much more. Without your support, these young girls would miss out on this adventure. Since 1962, thousands of children have experienced all that Marygrove has to offer. We have had the privilege to witness first-hand how camp can change the lives of these children. We thank you for your support and for being part of this change.
