NEW FUNDING CAMPAIGNS

We like to thank the parish for patiently waiting for an update on our campaigns especially the capital campaign for our parking lot resurfacing. There was a lot of work behind the scenes. We had to get approval from the Archdiocese for several steps through the project. The Archdiocese insisted we hire an engineering firm for overseeing the project to make ensure the quality of work being performed. We had to go through a vendor selection process for an engineering firm. Once they were selected and approved the engineering firm had to approve the scope of the project and a budget and go through another vendor selection process for the company to do the paving. The engineering firm recommended that additional masonry work had to be done so that the parking lot asphalt didn't touch the brick of the building which would lead to deterioration of the building brickwork.

The contractor selected to do the paving quoted \$229,000. The masonry work was \$45,000 and the engineering firm was \$15,000 for a total cost of \$289,000. We have raised \$133,000 for the capital campaign. The Parish had previously raised \$56,000 from the Family of Faith campaign for a total of \$189,000. This means that we will have to borrow an additional \$100,000 from the Archdiocese to fund the project.

For the loan repayment we have raised \$127,000 of the \$200,000 goal or 63% of our goal. That means we can raise another \$73,000 that will be matched by the Archdiocese. The focus on the upcoming year is to repay the loan and take advantage of the matching program.

We would like to again thank the many ministries and various parishioners who have been organizing events in support of these two concurrent campaigns through bake sales, dinner/dances, BBQs, rose sales, and many other social events. The creativity and support have been tremendous and speak to how dedicated our parishioners are to St. Dominic's parish!

We hope this update further encourages everyone to continue the great momentum - for those of us who would like to make a one-time donation, envelopes for the two campaigns are available at the entrances of the church as well as the donation boxes. We also have the ability to take online donations for each of the campaigns if you visit the St. Dominic's website (<https://stdominicsmi.archtoronto.org>). Those little cards at the back of the church have a QR code which will take you right to the website to set up a donation. **Working together we can continue to make these two campaigns a success.**

TIP TAP PAY – A NEW WAY TO GIVE

The Archdiocese of Toronto has partnered with Tip Tap Pay so that you can help support your parish with a simple tap. Simply tap and hold your payment card to the 'tiptap' device to give to your parish. That's it! You can also receive a tax receipt for your 'tiptap' gift as well.

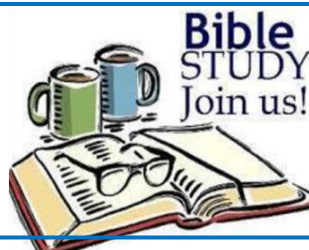

After your first tap, scan the parish QR Code right away with your smart phone and register your payment card. You only need to register your card once. After your card has been registered, you will receive an end-of-year tax receipt for all of your 'tiptap' gifts. All 'tiptap' gifts prior to registering your card are not eligible for a tax receipt. Your card will be charged the amount indicated on the device each time you tap with your card. You can also tap the device multiple times to donate more to your parish. Your data is completely secure.

Thank you for your kind heart and for supporting our church!
