REFLECTIONS

Readings: Isaiah 58:7-10 | Corinthians 2:1-5 Matthew 5:13-16

At the heart of our Christian faith must be an awareness that Jesus loves us and has died for us and that our lives are totally changed because of that. When we begin to believe that our lives are changed, then our actions also begin to change. It is not an awareness that somehow, we are perfect from here on out. That is foolishness. But we are saved by the Lord and we are loved. The more we become aware that we are saved and we are loved, the more we are able to love others—and then truly others can see salt and light at work within us!

We are invited to live our faith, to do good works, to show the light of Christ to the world by the way that we live. And that way of living must always begin with the people who are in our life right now. We forget that every time we do some act of love, we are the light of Christ and the salt of the earth. God invites us to recognize that by our faith and by our baptism, we have been changed entirely. We have life in a new way and it is divine life, the life of God Himself, given to us as gift.

Daily we have countless opportunities to be light for others, to be salt for the world, bringing the taste and flavor of God into our ordinary world. For instance, when others are angry and we are able to be present, living and calm, what a grace of God is present in the situation! Or when there is a tragedy and we are able to be present with love and with help, another grace of God is present. But even when we just help a sister or a brother with a task they find difficult or impossible, the divine life is present in a special way.

We don't need to draw attention to ourselves. We only need to be present to others in a very quiet and loving way. God is present and give God glory. We can decrease even as God increases. Let us give God glory today and commit ourselves once again to living divine life in our ordinary daily lives.

Thanks for Your Support!

NEW FUNDING CAMPAIGNS

We like to thank the parish for patiently waiting for an update on our campaigns especially the capital campaign for our parking lot resurfacing. There was a lot of work behind the scenes. We had to get approval from the Archdiocese for several steps through the project. The Archdiocese insisted we hire an engineering firm for overseeing the project to make ensure the quality of work being performed. We had to go through a vendor selection process for an engineering firm. Once they were selected and approved the engineering firm had to approve the scope of the project and a budget and go through another vendor selection process for the company to do the paving. The engineering firm recommended that additional masonry work had to be done so that the parking lot asphalt didn't touch the brick of the building which would lead to deterioration of the building brickwork.

The contractor selected to do the paving quoted \$229,000. The masonry work was \$45,000 and the engineering firm was \$15,000 for a total cost of \$289,000. We have raised \$133,000 for the capital campaign. The Parish had previously raised \$56,000 from the Family of Faith campaign for a total of \$189,000. This means that we will have to borrow an additional \$100,000 from the Archdiocese to fund the project.

For the loan repayment we have raised \$127,000 of the \$200,000 goal or 63% of our goal. That means we can raise another \$73,000 that will be matched by the Archdiocese. The focus on the upcoming year is to repay the loan and take advantage of the matching program.

We would like to again thank the many ministries and various parishioners who have been organizing events in support of these two concurrent campaigns through bake sales, dinner/dances, BBQs, rose sales, and many other social events. The creativity and support have been tremendous and speak to how dedicated our parishioners are to St. Dominic's parish!

We hope this update further encourages everyone to continue the great momentum - for those of us who would like to make a one-time donation, envelopes for the two campaigns are available at the entrances of the church as well as the donation boxes. We also have the ability to take online donations for each of the campaigns if you visit the St. Dominic's website (<https://stdominicsmi.archtoronto.org>). Those little cards at the back of the church have a QR code which will take you right to the website to set up a donation. **Working together we can continue to make these two campaigns a success.**

TIP TAP PAY – A NEW WAY TO GIVE

St. Dominic's Parish has installed Tip Tap Pay devices at all the entrances so that you can help support your parish with a simple tap. Simply tap and hold your payment card to the 'tip tap' device to give to your parish. That's it! You can also receive a tax receipt for your 'tip tap' gift as well. **Thank you for your kind heart and for supporting our church!**
